Our Vision:

Patriot Care Ambulance has a mission to provide superior quality medical transportation to assist and support the needs of our community members and their families.

We offer our community quick and reliable responses for assistance 24 hours per day, 7 days a week, every day of the year.

Our Services we offer:

Basic Life Support:

Our BLS Transports are managed by a minimum of two New Jersey State Certified Emergency Medical Technicians. Patriot Care has industry-leading equipment and highly trained personnel required for the care and safe transportation of our patients. Bariatric equipment is also available for transportation needs.

Emergency and Non-Emergency Transports:

Patriot Care also offers best-in-class emergency and non-emergency assistance to most area hospitals, care centers and physician offices; and we accept most insurances. You will never be denied service at Patriot Care, regardless of your insurance carrier. Also, Patriot Care has agreements with Advanced Life Support agencies for critical care transports.

Wheel Chair Transports:

For patients requiring wheelchair transportation, Patriot Care maintains a fleet of medical coaches equipped with hydraulic wheelchair lifts. All of our drivers are certified Mobility Assistance Vehicle Technicians (MAVT) and are trained to ensure the safety and comfort of our patients.

Don't hesitate to call. Patriot Care is available 24 hours a day!

Let Patriot Care take the hassle out of training. Our fully qualified instructors offer American Heart Association CPR, First-Aid, ACLS and PALS. We will teach onsite and we have great rates.
